

Crossword Puzzle

Objective: In this activity, students will use the clues to solve for words familiar in *Gio & Banks: Scarcity, Choices, and Tradeoffs*, and complete the crossword puzzle.

Directions: Solve the words in the puzzle. Words can go across or down. Letters are shared when the words intersect. *Note: Students will need help understanding the clues. Additional explanation and conversation will be necessary!

ACROSS

5. Something that a society has a limited amount of, and can choose to use, to increase its wealth.
7. To give, in exchange for money.
9. All of the things given up when making a choice.
10. To receive, in exchange for money.

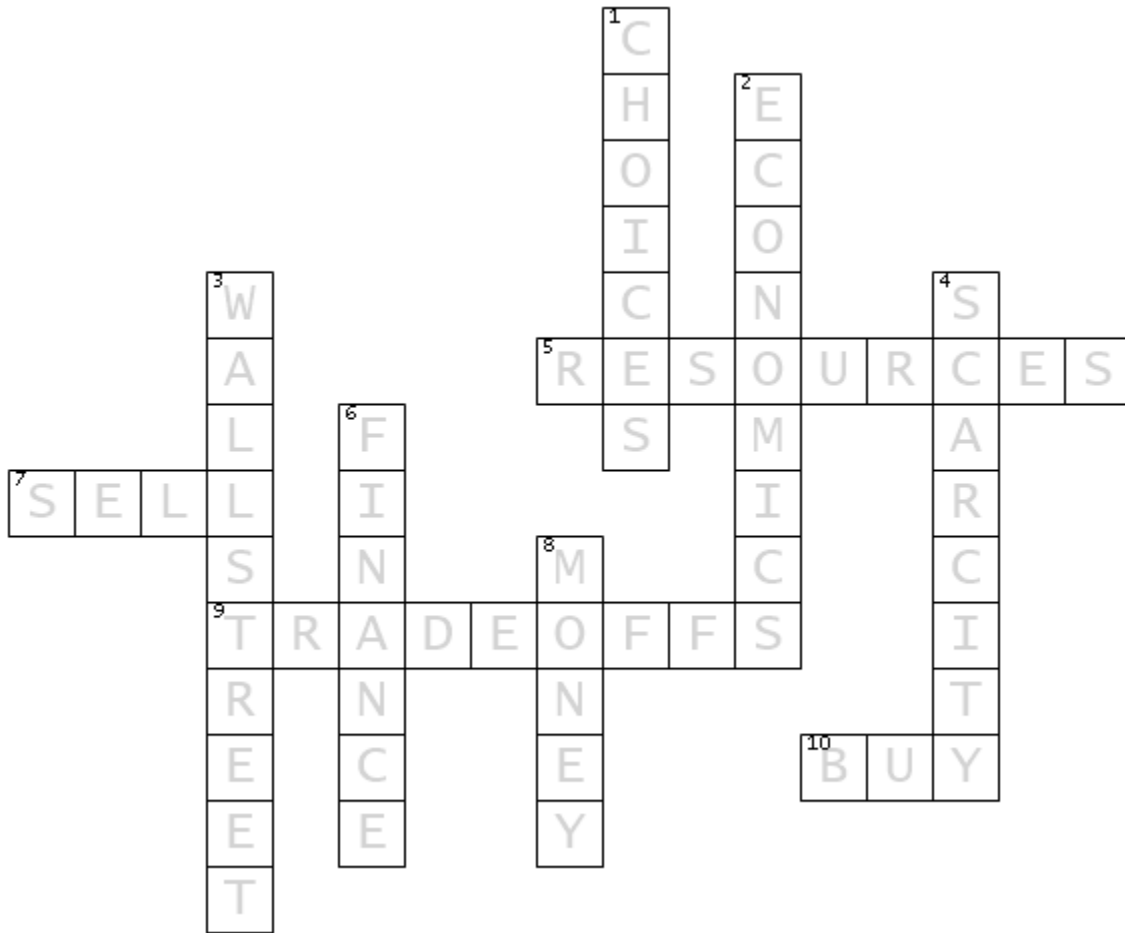

DOWN

1. Having to make decisions where resources are limited.
2. The study of how society chooses to make and use goods and services given that resources are limited.
3. Location in New York City, often thought of as the financial capital of the world.
4. Economic idea of having unlimited wants, but limited resources.
6. Management of large sums of money.
8. Coins, paper bills, or other things used to buy and sell.
